

## Conversations with Doug: 2014-2015

Susanne: Her previous boyfriends were neat and organized (had Common Law husband for 10 years; then had boyfriend for 2 years)

Susanne: "You have your homework to do" - then comes by with handful of Tyson hair, drops it with a comment "See what you dog does" and leaves!

Doug: no tolerance for his things, but Suzanne pulls out a pickaninny poster - Doug says, "That is offensive to me, and probably to some of my friends" - but does he get a say in Kitty Kat Kabin?

Ask Doug: have you read your book from Doc: "Overcoming Prostrate Cancer: from Incontinence to Continence"

Ask Doug: have they done the MRI? Has Doc heard of freezing the prostate? You had 3 appts in Dec, 1 in Feb - Suzanne had 1 in Jan.

Suzanne: going through Soap Opera at Wal-Mart: "You are part time, you have no benefits!"
